For students interested in earning their graduate degree, they may apply for early and conditional acceptance into the graduate school at the time of completing the JAG (Joint Articulation Agreement). Upon submitting their application and transcripts for their undergraduate program (BS/BA), the student must also submit a completed graduate application and essay as well as two recommendations for the program of their choice. Please note that the required GPA for early acceptance is 3.0. The student will be notified of the decision regarding their early and conditional acceptance into the graduate school by the graduate admissions office. The acceptance will be conditional on the student maintaining the required 3.0 GPA wihile at BPC.
