Thank you for helping
Bay Path students *Chart New Paths.*

Friday, October 21, 2011 | Blake Student Commons | Bay Path College

Three years ago we set out to help Bay Path students chart new paths through an historic campaign focused on *Access, Academics,* and *Achievement*. To be sure, it wasn't the easiest time to launch a fundraising effort and we admit to some apprehension regarding the impact that the economic downturn would have on our goal. But what we quickly and clearly came to understand is that the economy is no match for the passion that people share for Bay Path students. Recognizing that the students we serve are often the most vulnerable among us, College Trustees, alumni, friends, faculty and staff opened their hearts and gave generously. What originally began as a $6 million goal grew to $9 million, then to $15 million. We are profoundly grateful and honored to report that the *Charting New Paths* Campaign concluded with a grand total of **$16,583,365!**

This accomplishment is attributable to the determination of our Campaign Steering Committee: honorary co-chairs John and Robyn Davis, and members Roberta Bolduc, Barbara Sadowsky, Ruth McLoughlin Vignati '62 and Roberta Campbell Wilson '62. We thank them for their guidance and great optimism. We extend deepest appreciation to each and every donor – your generosity has ignited flames of learning and the promise of lives transformed. Finally, we are thankful for Bay Path students themselves. Their stories inspire us, their hard work humbles us, and their spirits reinforce our steadfast belief in the power of education and the mission of Bay Path College.

With gratitude,
Jane '89 and Dan Roulier
Charting New Paths Campaign Co-Chairs

One's destination is never a place, but a new way of seeing things.

Henry Miller

North. South. East. West.

Your generosity reaches in all directions.

But always, the starting point is with that one student. As a donor, you have profoundly impacted her life, forever opening her eyes to what is possible. Whether it is researching the use of grasses to make biofuels, boarding a plane for her first trip abroad, witnessing the living history of the civil rights movement in Arkansas, or helping her buy books for a class that will be career-changing, your support sustains a student in her quest for knowledge. You have transformed her into a global citizen, a resourceful contributor at the workplace, a mindful advocate for her community, and a person whose internal compass will always point to her true self.

Through your gift to the *Charting New Paths* Campaign you have helped launch a new generation of courageous and confident explorers. They will go forth and show the world what they can do.

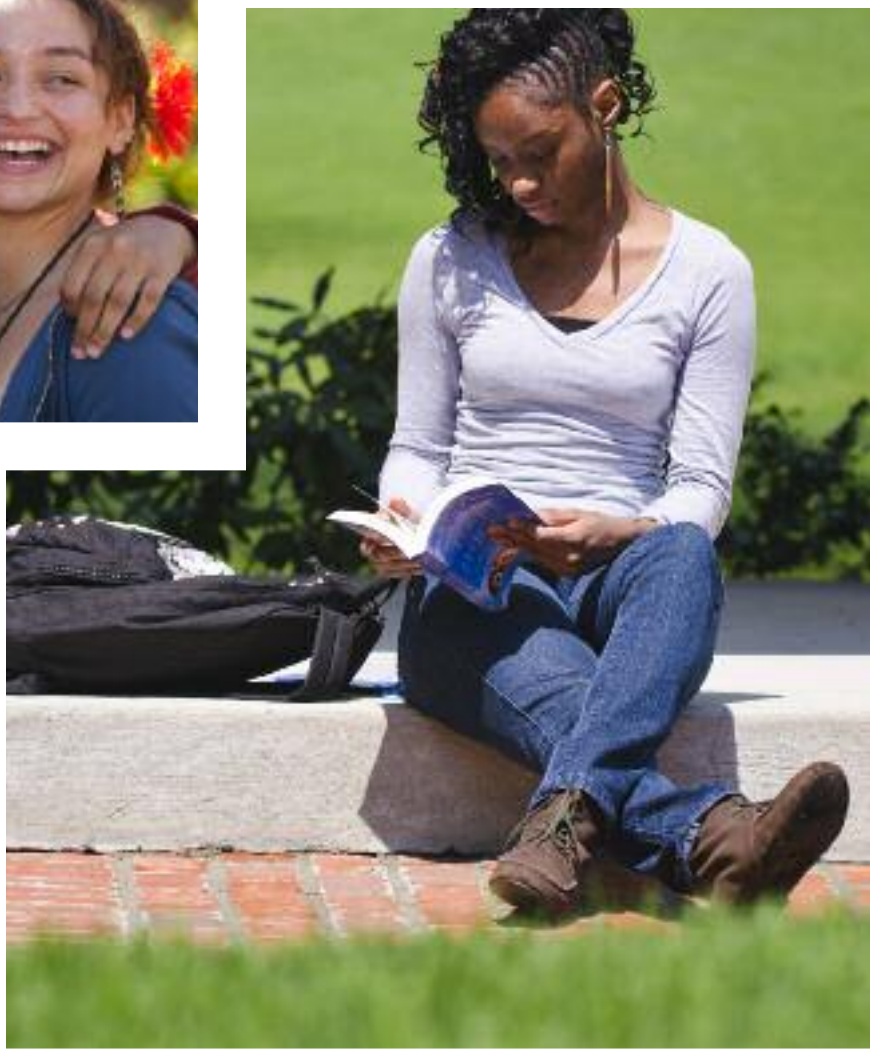
Thank you!

Access

MAKING A BAY PATH EDUCATION ATTAINABLE, ESPECIALLY FOR UNDERSERVED WOMEN

OVER 95% OF BAY PATH STUDENTS RELY ON FINANCIAL AID TO SUCCESSFULLY REACH GRADUATION. WELL OVER HALF OF OUR STUDENTS ARE THE FIRST IN THEIR FAMILIES TO ATTEND COLLEGE. Donors to the *Charting New Paths* Campaign generously provided $3.8 million in scholarship gifts, including contributions to *The Carol A. Leary Endowed Scholarship for First Generation College Students*, making it possible for young women to forge ahead…and create new expectations for future generations.

EVERY YEAR, HUNDREDS OF ADULT WOMEN WHO THOUGHT THAT THE DOORS TO A COLLEGE DEGREE WERE CLOSED TO THEM REALIZE THEIR POTENTIAL THROUGH OUR ONE-DAY-A-WEEK *SATURDAY* PROGRAM. Your gift to *access* fuels aspirations and proves transformational not only for the women enrolled, but also for their children. Donor support makes a difference in more than just the lives of our students. It makes a difference in the lives of families.



TEXTBOOKS SHOULD BE FUNDAMENTAL. But for many of our students, particularly low-income women, it's an out-of-pocket cost difficult to afford. Donor support of textbook funds and a lending library ensures that our students learn not just the facts, but the ideas and theories that mold them into critical thinkers and decision makers.

Thank you for being there for our students…from their first day on campus to helping them make the dream of a college education a reality!

HANDS-ON-EXPERIENCE, FACULTY WHO CHALLENGE, ENCOURAGE, AND ADVISE, TUTORING SUPPORT THAT IS TAILORED TO MEET INDIVIDUAL STUDENT NEEDS, AND STATE-OF-THE-ART CLASSROOMS, TECHNOLOGY, AND EQUIPMENT – all provided through donor generosity – ensure that Bay Path students will be the next generation of scientists, teachers, entrepreneurs…whatever they dream of accomplishing!

Academics

STRENGTHENING ALL OPPORTUNITIES FOR TEACHING AND LEARNING

EDUCATION IN THE 21ST CENTURY IS ABOUT BEING RESPONSIVE TO THE NEEDS OF OUR COMMUNITIES, REGION, AND BEYOND. Because of donor support, we are able to develop and deliver academic initiatives, such as our new Physician Assistant, Women Empowered as Learners and Leaders (WELL), and Online Degree Completion programs, that propel our students into careers that not only change their lives, but also impact the well-being of others.

Thank you for helping those aha! moments happen for our students...from classroom discussions to science projects to internships, and much more!

Achievement

HELPING WOMEN SUCCEED TOGETHER THROUGH PROGRAMS THAT TRANSCEND THE CLASSROOM

STUDENTS WHO PLAY HARD AND PRACTICE HARD, ALSO STUDY HARD. They succeed on the field, on the rink, on the stage, and in the classroom. They become engaged members of the Bay Path campus, and active volunteers – giving of their time and spirit – for the good of the greater community. Donor support of *achievement* instills confidence, strengthens lives, and creates leaders.

BOARDING A PLANE FOR THE FIRST TIME. Whizzing through the air on a leadership ropes course. Serving those less fortunate. Leaping in front of Notre Dame. Experiencing new cultures, new languages, new food. Your gift to *achievement* shatters boundaries as Bay Path students challenge themselves in ways they never dared to dream while gaining an education that spans the globe.

Thank you for making it possible
for our students to find their strengths and discover their passions!

Charting New Paths

DONOR LIST

With deepest gratitude, we acknowledge the following donors who contributed to the *Charting New Paths* Campaign from 2008 – 2011. Gifts to the Campaign profoundly influence the lives of current students and also create promise for future generations by ensuring *access* to higher education, by providing *academic* programs that lead to key professions, and by helping women *achieve* together through programs that transcend the classroom. Equally important, donor generosity ignites dreams and instills confidence that new paths can, in fact, be charted. Thank you.

BOARD *of* TRUSTEES

We applaud the Bay Path College Board of Trustees who, with their 100% participation, led the way in the Campaign. Thank You!

Commencement at Bay Path is an event shared with family and friends: Pomp and Circumstance, balloons, flowers, cameras flashing…and a college degree in hand. Your generosity has made this life changing event possible for our students.

Thank You!
