WiSH
WOMEN *in* SCIENCE HONORS

APPLICATION

Housed within the **Center of Excellence for Women in Science (CEWS)**, the Bay Path College **Women in Science Honors Program (WiSH)** offers a four-year curriculum consisting of integrated and advanced study and research for dedicated future women scientists.

"The difference between science and the arts is not that they are different sides of the same coin even, or even different parts of the same continuum, but, rather, that they are manifestations of the same thing. The arts and sciences are avatars of human creativity."

MAE JEMISON
First African-American female U.S. astronaut and a physician, scientist, and teacher
