

## Career Services for the One-Day-A-Week College

According to the U.S. Department of Labor most people will change careers 10-14 times during their life. If you are interested in career success over a lifetime then Bay Path College is for you! As a One-Day-A-Week student you will be able to complete your degree program while exploring career opportunities that match your talents and interests. Our professional career advising staff works closely with students to design and deliver career coaching sessions, practical workshops and online resources for One-Day students at all Bay Path campuses. When you enroll at Bay Path you will have immediate access to:

- Career meeting for newly enrolled One-Day students
- Personalized one-on-one career coaching sessions
- Resume writing advice
- Mock interviews and interview preparation sessions
- Job and/or graduate school search guidance
- Advice on presenting and promoting yourself professionally
- Networking contacts with companies, law firms, schools, and other organizations
- Referrals and partnerships with professional development organizations

*As a One-Day student you can look forward to:*

- **Career assessments**
- Videotapes and critiques of mock interviews
- A Financial Literacy course so **your** career goals complement **your** financial goals
- Saturday lunchtime seminars and workshops on career related topics
- Links between One-Day students and professional mentors
- **Expanded** use of technology for one-on-one coaching sessions and **webinars**
- **New** career exploration and professional development courses for One-Day students
